

THE FAIRFIELD BY RIEDMAN HOMES

This delightful single-story home has 2 bedrooms, 2 baths, and a study that can be used as a third bedroom! Part of our new series of homes, the brand new Fairfield model features many of the options that our homeowners have been asking for... more flexible and open spaces, and outdoor living areas. The open floorplan features a large kitchen with a custom island and pantry, overlooking a huge great room and morning room.

The Fairfield is highlighted by its master suite, featuring a private bath and spacious walk-in closet. This home also has an oversized 2-car garage, and plenty of outdoor living spaces thanks to the covered front and rear porches.
