MANAGER'S CORNER

Sweater Weather is Here

We have a few new faces in the office and around the property! Abby Wisniewski was hired over the summer so I am sure that many of you have already met her :) She works in the office as a leasing consultant. Ryan has been a part of the maintenance team for the last few months as well! They have been doing such a fantastic job. If you see them around, feel free to introduce yourselves!

Please see the next page for our upcoming events! We have enjoyed seeing those who have attended the couple of events that we have hosted so far and we look forward to the upcoming events that Casidy has planned!

Thank you! Please feel free to contact us with any questions.

Erie is notorious for being cold and getting record amounts of snow. Here's how you can be prepared for the weather ahead!

- Have coats, scarves, gloves, and boots ready for when the weather strikes.
- Prepare emergency kits! One for your vehicle and one for your home. These should include a first aid kit, water, non-perishables, batteries, flashlights, etc.
- Make sure you have a shovel, an ice scraper, and ice melt to get to and from your vehicle.
- Always check the weather before you leave the house!
- Follow all advisories set by the National Weather Service and be proactive.
